Our Ref. No.: 157/ 48436

Dear Dr. Weinberger:

Enclosed please find a copy of a Decision on Petition we received March 31, 2000 from the U.S. PTO in connection with the above-identified matter. This application has been successfully revived and assigned U.S. serial number 09/446,820.

To obtain a filing date for the application in the national stage in the U.S., an executed declaration must be submitted. Enclosed please find a copy of the combined Declaration and Power of Attorney which we previously sent you on January 10, 2000. We have also enclosed a copy of an Assignment that needs to be signed by Drs. Kwong and Hendrickson, and a Small Entity form for Columbia University in connection with the U.S. filing of the above-identified case. We ask that you have these documents executed and returned to us at your earliest possible convenience.

At this time we expect that the petition to revive the related international application PCT/US98/23998 will also be granted. Accordingly, we are enclosing a copy of the Declaration, Assignment, and small entity documents in connection with this application as well. Again, please have these documents executed and returned to us at your earliest convenience.

Thank you for your assistance in this matter. We will keep you advised of further developments.
